THE MAGAZINE OF DIVERS ALERT NETWORK

2024 Media Kit

DAN® is a nonprofit membership organization dedicated to the safety and health of the scuba diving community. Founded in 1980, DAN has served as a lifeline for the scuba industry for more than 42 years, serving almost 3 million members along the way. As a nationally recognized organization, DAN excels in providing critical incident prevention, management, and protection resources to divers, dive professionals, and dive businesses in the effort to promote safe diving.

What is DAN?

In addition to operating a 24-hour dive emergency hotline, providing medical information, conducting dive medical research, and providing first aid training, DAN also offers a portfolio of complementary safety-related products and dive-accident and travel insurance plans.

DAN strives to make every dive accident-free.

- **Incident Prevention** — DAN helps divers prepare to dive safely by offering a team of medical specialists available for nonemergency calls and physician referrals, as well as a dive safety resource library of categorically organized online articles, FAQs, webinars, and seminars.
- **Incident Management** — DAN offers first-aid training programs for all levels, from the beginner diver to the medical professional, helping to minimize the impact of dive injuries when they occur. DAN is the diver's resource in an emergency with a 24-hour emergency hotline, an extensive hyperbaric chamber network, and a team of medical professionals ready to respond when you need us most.
- **Incident Protection** — When the unexpected happens, DAN members can have peace of mind knowing that the costs they incur will be paid by DAN (up to 100 percent of eligible expenses). DAN *TravelAssist*, dive-accident insurance, trip and travel insurance programs, and equipment insurance are all specially designed with divers' needs in mind.

Membership dues and donations support DAN, the largest association of recreational divers in the world. DAN members are equipped with essential benefits and services designed to meet the needs of active divers and travelers. *Alert Diver* magazine, the world's leading publication on dive safety and scuba lifestyle, is a benefit of Divers Alert Network membership.
